SPEAKER BIOGRAPHY

Dr Natalie E Sharpe

EXECUTIVE PASTOR / AUTHOR / MENTOR
CERTIFIED COACH / MEDIA PRODUCER

Faith at the heart.
Purpose in every step.

Equipping people to grow in faith, lead with purpose and make a meaningful impact.

Dr Natalie E Sharpe helps people connect faith with purposeful action. An Executive Pastor and certified life and ministry coach, she walks alongside individuals and leaders as they discover their calling, grow in confidence and turn vision into meaningful impact.

Her heart for service extends beyond the pulpit. Through her work with Word of Life Ministries, PCG, she has been recognised by the Member of Provincial Parliament for Scarborough Centre for her dedication to fostering hope, unity and positive community impact. That commitment to people is central to her pastoral leadership and mentorship.

Her creative work also reaches people through music. She is the founder of Key of Sharpe ENT (Key of Sharpe Entertainment), a music production label. Writing is another expression of that calling. Her books include Mind Over Money, Money Over Matter, Morning Breeze: Restoration, Awakening: Seven Days to Spiritual Renewal, and Print the Vision, carrying her message of renewal and purposeful living beyond the communities she serves in person.

Whether speaking to a congregation, mentoring a leader or guiding a coaching conversation, Dr Sharpe brings biblical insight and practical encouragement to the next step. Her desire is to help people deepen their faith, live their calling and make a meaningful difference in the lives of others.
